About This Game

Switch. Solve. Survive.

Backpack Twins is a hard but fair single player puzzle platformer... with a twist!

Control both twins by switching between them, and make them work together in order to solve environmental puzzles, move forward and stay alive!

Avoid hazards, jump, duck, switch and time your moves carefully.

- A carefully crafted blend of platforming and puzzle solving.
- Old school platforming that will test your skills!
- Collectibles that are easy to find but hard to get! Get them all to unlock additional awesomeness!
- Responsive and precise controls.
- Speedrun friendly. Last and best times are saved for each level.

-
- Steam Cloud save functionality.
 - Steam Achievements!
 - Includes left and right handed gamepad layouts for accessibility.
 - Made with love, just for you.
 - Backpacks! (x2)
 - Twins! (x2)
 - Humor! (not guaranteed)
